If your child is not reading independently, you may count the time that you read to your child and the time that you engage in early literacy activities with your child in order to complete the reading log.

Here are some ideas:

- Sing the ABC Song
- Recite nursery rhymes
- Walk a StoryWalk®
- Play connect the dots
- Do the hokey pokey
- Go for a walk and talk about what you see, hear, smell and touch
- Sing twinkle, twinkle before bed
- Do an age-appropriate puzzle
- Find and talk about letters, colors, and shapes around you

Color a creature, a balloon, a tree or flower, on the reading log every time you do an activity or read together. When the reading log is complete, return it to the library for a prize!
